Teaching

Person in charge / Employee

Konrad Höffner

Progress compared to last presentation

- May 8 virtual Science Seminar with TP, HFC, MS?, SS?

- SNIK Graph Bachelor thesis TP: finish preliminaries and state of the art chapters, first presentation

- SNIK Quiz BeLL MNW: little progress on "Lösungsansatz"

- SNIK Chinese Quality Control Master Thesis XK:

  – telephone call, was stuck in China and is back now

  – wants to send state of thesis

  – no internet right now

- April 8 added HTML SNIK Tag for KK, no response yet

Event Date Forecast

July 12   Science Seminar with TP's 2nd presentation and probably many students that need their 1st one

Project Description (brief)

Theses and Seminars

Open Points / Next Planned Steps

- add more Science Seminars if needed, but no rush yet

Risks / Obstacles

- slow progress of BeLL since Corona

- language barrier with XB and no official declaration of thesis since November 2018

Escalation / Decision Needs

- what to do with XK's thesis?

Other

- FMI Prüfungsamt: All students of computer science and FMI get two months extension on all deadlines.

- microphone teaching podcast, see mail to MIG list
